[] Black

[] Specify: _____

[] Other: (*Special Order*) _____

[] Variegated

Before sending your quilt: *"To insure the results are of the finest quality."*

- ✓ Make sure your quilt top and back are "squared". Fold each piece in quarters to confirm.
- ✓ Back fabric (and batting) must be at least 4" larger (width and length) than your quilt top.
- ✓ When adding borders, make them 1/2" to an 1" wider than what you want the finished border to be to allow for quilting shrinkage.
- ✓ Top and back should be pressed (an additional charge will be made if pressing is necessary).
- ✓ If needed "Stay Stitch" your top's edge seams within 1/4", to insure they won't "open" when stretched onto the frame.

Shipping Instructions: [] Hold for Pickup [] UPS - Ground [] UPS - Two Day

The Fine Print: I understand that I will be advised of the final cost of the services being provided prior to the start of any work, and that a written estimate will be provided upon request. I also understand that final payment must be made within 30 days of completion and before the quilt will be shipped or when I pick up the quilt. Also, that the backing and batting will be trimmed to the quilt top edge unless I specify otherwise.
